## **Your Anthem Benefits**

## State of Indiana - Consumer-Driven Health Plan 1 National BlueCard PPO Network Summary of Benefits, Effective January 1, 2018

Please note: As we receive additional guidance and clarification on federal health care reform from the U.S. Department of Health

and Human Services, we may be required to make additional changes to your benefits.

| Covered Denefits   |                           | Non Notwork                     |
|--|---------------------------|---------------------------------|
| Covered Benefits   | Network                   | Non-Network                     |
| Deductible   Family coverage requires the family deductible to be met before coinsurance applies.                                      | Single: \$2,500           |                                 |
| The single deductible <b>does not</b> apply to family coverage.  | Fami                      | ily: \$5,000                    |
| (Deductibles are combined network and non-network)   |                           |                                 |
| Out-of-Pocket Limit (OOP) (Single/Family)  | Sino                      | gle: \$4,000                    |
| Family coverage requires the family OOP to be met before 100% coverage applies.  |                           | ily: \$8,000                    |
| The single OOP does not apply to family coverage.  |                           | embedded: \$7,350               |
| Out-of-Pockets are combined network and non-network; includes the deductible   |                           |                                 |
| Physician Home and Office Services Primary Care Physician (PCP)/Specialty Care Physician (SCP)   |                           |                                 |
| Including office surgeries and allergy serum:  |                           |                                 |
| allergy injections (PCP and SCP) and allergy testing   | 2007                      | 400/                            |
| non-routine mammograms   | 20%                       | 40%                             |
| diabetic education (regardless of outpatient setting)  |                           |                                 |
| MRAs, MRIs, PETS, C-scans, nuclear cardiology imaging studies and non-maternity  |                           |                                 |
| related ultrasounds  |                           |                                 |
| Preventive Care Services   |                           |                                 |
| Services include but are not limited to:   |                           |                                 |
| Annual physical exams, pelvic exams, pap testing, PSA tests, immunizations, routine  |                           |                                 |
| vision and hearing screenings. Vision screening limited to basic screening in PCP office.  |                           |                                 |
| Physician home and office visits (PCP/SCP)   |                           |                                 |
| Other outpatient services at hospital/alternative care facility  | No deductible/coinsurance | 40% (not subject to deductible) |
| Routine mammograms   |                           |                                 |
| Screening colorectal cancer exam/laboratory testing  |                           |                                 |
| All preventive services are limited to one of each service per year per covered  |                           |                                 |
| member; if the office visit is billed separately or if the primary purpose of the  |                           |                                 |
| office visit is not for the delivery of a preventive service, cost sharing may be  |                           |                                 |
| imposed for the office visit   |                           |                                 |
| Emergency and Urgent Care  |                           |                                 |
| Emergency Room services at hospital (facility/other covered services)  | 20%                       | 20%                             |

## Precertification:

Members are encouraged to always obtain prior approval when using non-network providers. Precertification will help avoid any unnecessary reduction in benefits for non-covered or non-medically necessary services.

This summary of benefits is intended to be a brief outline of coverage. The entire provisions of benefits and exclusions are contained in the Group Contract, Certificate and Schedule of Benefits. In the event of a conflict between the Group Contract and this description, the terms of the Group Contract will prevail.

<sup>&</sup>lt;sup>1</sup>We encourage you to contact our mental health subcontractor to assure the use of appropriate procedures, setting and medical necessity. Refer to Schedule of Benefits for limitations.

<sup>2</sup>Kidney and cornea are treated the same as any other illness and subject to the medical benefits

<sup>3</sup>PRESCRIPTION BENEFITS ADMINISTERED BY CVS/CAREMARK. ANY QUESTIONS RELATED TO RX NEED TO BE DIRECTED TO (866)234-6869
